MARCH/APRIL 2014

COLOSSIANS 1:10

KNOWING THE TIMES AND SEASONS

Here we are the beginning of March, and spring is nearly upon us. As I am sure you are aware it has been a very, very wet winter, the worst apparently since the weather was first recorded, but I have seen more spectacular rainbows than ever before. A reminder that God said He would never flood the whole earth again. **Genesis 9:11** what a promise we have from God!

At times if you lived in the South of England you must have been reminding God on that fact. I know I have. But sometimes we let our eyes dictate what is going to happen, even when we have a promise of the opposite. God does not lie. **Numbers 23:19**

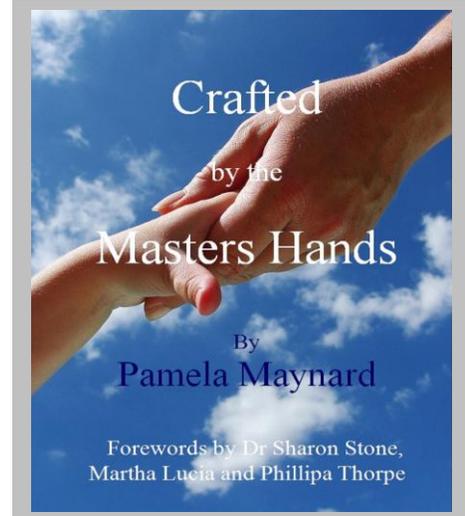

I hear you saying but 'others have said': but it's not about what others have said it's about what the Lord has said. Have you heard that revival is going to break out on our nation? Then let us focus our time in prayer regarding this and together we will see great signs and wonders in the heavens and earth below.

I know I have had a change in my spirit regarding the season we are in. It's now so much easier to prophesy than before; to see, hear and respond to God. Dreams and Visions are so much clearer than before. God is moving on our England and it's our responsibility to encourage ourselves in prayer and expectation. I believe we are in the 'spring season', move forward to see and hear God talking with greater clarity than ever before. Watch out for God is about!

ARMCHAIR MINISTRIES

Friends, thank you for your emails of encouragement, it has been a great encouragement to me to keep doing what God has ordained me to do.

DRIFFIELD TRAINING CENTRE

The Group is expanding and Sandy and Stephanie, the leaders are very encouraged by the people's commitment to the group and to each other.

SWALEVIEW TRAINING CENTRE

What a meeting we had last month, full house, new people came from the caravan site and after the teaching the power of God came, laughter and anointing filled the place many experienced the weight of God and were unable to stand. Watch this space!
