

# Fruitful Ground

MAY/JUNE 2014

COLOSSIANS 1:10

## DON'T LOOK BACK, FACE FORWARD

We all have things in our past that caused hurt or frustration. Perhaps it's doing something in our own strength or even ahead of God's timing. But it's not supposed to keep you in the past but we learn and move on from the mistakes and hurts of yesterday. The biggest stumbling block is we ourselves.

What are we holding onto that is destroying us and not building us up into the things that God has promised us? Sometimes we must let go, so we can hold onto the new. Greater will come if we pursue the righteousness of God.

We have to be careful not to be like Lot's wife who was turned to salt. Because she looked back!

**Genesis 19:23**

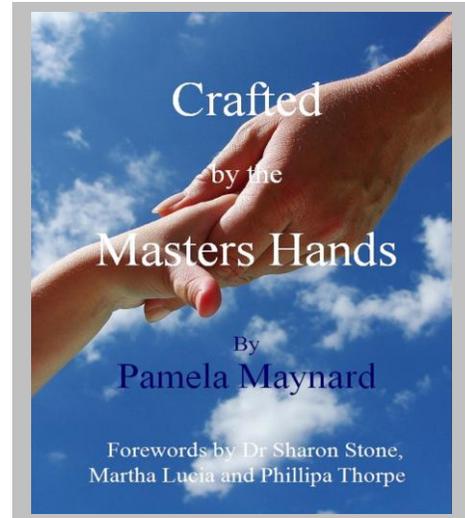

Has God told you to move on and let the past alone. Move on to the next things with anticipation, excitement and thankfulness that you will come through, and have the victory facing you. I recently heard this statement. "When driving a car we have two small wing mirrors and one large front windscreen". We need to stay focus on what's ahead and not on what's behind. Yes we need to perhaps glance back, but remembering who and what is in front of us. If God be for us, then who can be against us!

## ARMCHAIR MINISTRIES

Things are happening, new opportunities and new excitements as I travel the nations. God's ways are not our ways. New wine is much better for us. We don't always like the change but God appoints and brings the fresh wine. If you've not fasted in some time, may I encourage you to do so! It doesn't have to be meals, it could be chocolate, TV, or walking and not driving! Break out the same mould and see what God does for you.

I would love to hear your testimonies of breaking out the mould!

## SWALEVIEW TRAINING CENTRE

We are seeing God do some amazing things. Each meeting is different, many are blessed. We are calling in more salvations this year and expecting the anointing and power of God to manifest in us and around us.

Swaleview Caravan Park is set in the Yorkshire Dales and is very beautiful. If you have never been for a holiday, now is the time. Come join us and God will touch you!
