## ANOTHER YEAR FAST APPROACHES

I was wondering if anyone thinks like me? Where has this year gone, I know some people believe it's as we get older time seems to go faster.

However it makes me understand how important time is to those that are not yet in the Kingdom of God. What if today was the last day I could have any effect on anyone's life, would I do anything different?

Perhaps I would make sure those that are close to me know how much I love them. But most of all I would want to know I would meet them again in glory ( Food for thought), but what am I doing about it? So often we take things for granted and it's only when things are removed, that we have 'if' only list. So this month I want to inspire you to talk more about Jesus and what he has done for you.

We are blessed and favoured by God, so we need to talk the talk and walk the walk so that by our fruits people are drawn to us, then to Jesus. We have the answer for the world today. We need to believe it so that it will have more impact when we share Christ.

Jesus says ask of me and I will give you the nations for your inheritance! What an inheritance that would be. Salvations from the nations! When you are given an opportunity to go to the nations, don't think how much will it cost, Christ has already paid the price. Think inheritance! Here am I God, please open the doors for me into the nations. Open the doors in our nation.

## ARMCHAIR MINISTRIES

Pam is excited to hear the building in Poland for children's work has been obtained. God is helping with the provision for these children. It has been a long journey but God, along with Pastor Magda and her team of Jelenia Gora are over comers and working this miracle out. We look forward in hearing and seeing more of this when we next go out in the spring. Please pray for them.

## SWALEVIEW TRAINING CENTRE

last month we had a young man in his thirties share the encounters he has had with God, as he had several accidents while riding his motorbike, he believes he saw the gates of heaven, angels and now is testifying the goodness and power of God. Nothing is stopping him. He believes he is called to be an evangelist and is taking every opportunity to share the power and anointing of God.
