FRESH START

What does Fresh Start mean? It's not taking time away in isolation! The number one key is to get in God's presence and be filled to over-flowing. I hear many people say they are going to "Take time out, Get away from it all". However what often happens is they get cut off from God, things start to overtake them and then they are worse than they were before.

I feel the best way for a Fresh Start is to spend more time with God. His presence can fill a room and make you feel like royalty. After all we are a Royal Priesthood a Holy Nation pleasing to God. *1 Peter 2:9*. We are not to get consumed by this world. Yes it can easily overtake you and take you out. Putting God first, we get more done and feel better for it.

We are called to fight a good fight, that does not happen laying about. So come on its nearly Easter, its resurrection time for body, mind and spirit, start thinking bigger not smaller. Start to partake in the manifestation of the Kingdom of God. What are we waiting for? You are a walking Miracle! God made you. Celebrate, Enjoy life! *Romans 8*. Will encourage you.
