JANUARY 2017

COLOSSIANS 1:10

## DEAR FRIENDS.

### Fruitful Ground Newsletter.

It has been a year since I last sent it out!

I now feel we are ready to move in a different direction. I would like to share with you the journey God has had me on for the past year or so.

### We have to connect in a different level with Him

Although we talk and walk with God, do we really connect or do we just meander through life. Hoping there is someone there who cares and loves us?

I have found that since I have taken the time to really get to know Him. Not that I'm there yet, you understand, and perhaps will never know all there is to know about God. Until I arrive in heaven.

However a new level of understanding Him, started to happen when I found things weren't going so well for me. I began to feel disconnected and isolated.

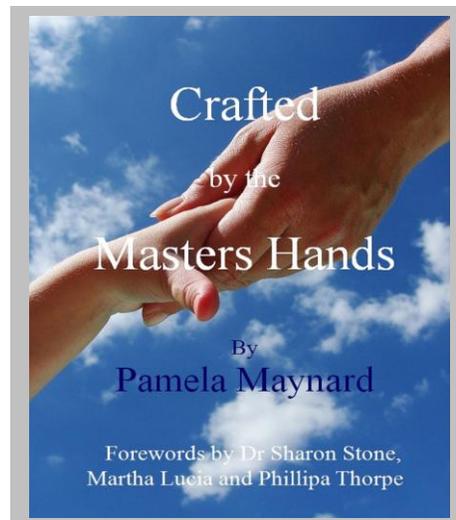

Then I rediscovered God, by taking communion every day. Now, before I lose you! because you think I have a "Religious Spirit", I came to that place where I knew there was more, but just couldn't quite reach it.

But since I have taken time, just a few minutes each morning, before doing anything else. (I have a little blackcurrant juice with a small cracker). Thanking God for the life of His son, and letting God know, I'm grateful for what he has done for me, then moving on to the days activities, actually gives me much more power and a blessed day. Achieving all that I need to, with time to have fun too.

As I study the Bible, I have found key scriptures, that let me know just how powerful the blood of Jesus was and is today. For inside the Garden of Gethsemane Jesus was in so much pain.

Yes I mean pain! He suffered, but yet not His will, but the Father's. What a prayer He prayed. One cannot imagine what He went through for us.

**Matthew 22:39-46**

JEREMIAH 29: 11-14.

## The Power of the Blood

He will never ask us to do anything that painful, that we sweat blood over. For He has provided each one of us with a testimony. So let us be ones, that would share what Jesus has done. You too Will receive Breakthrough, because of your testimony.
