MARCH 2017

COLOSSIANS 1:10

## DEAR FRIENDS.

### Fruitful Ground Newsletter.

Prayer is the power tool in our hands!

So often it's the older generation that is trying to get the younger generation to pray. Why? Because they know that it's the only way we will see breakthrough.

We can read many scriptures about prayer and indeed read many books. But will we pray?

This past two months, I have felt in my spirit something is changing so fast that we as Christians need to get a hold of prayer and war with it. Thank God that there are people who have heard the same as me and have set up prayer groups around London and walk and pray our capital.

Otherwise we would have seen far more than we did this past week. Our thoughts and prayers go to the families and the ones that are suffering. We pray for a speedy recovery and that they would find Jesus in all of their pain.

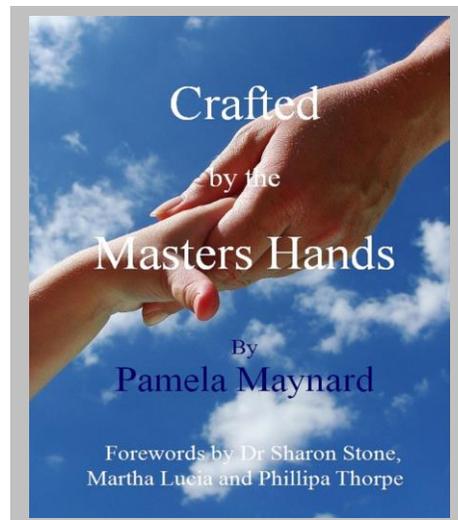

We need to get with the program and pray; this is such a powerful weapon in our hands.

**2 Corinthians 10:4 For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds.**

Prayer times should be a powerful time, where we connect heaven to earth, see and hear from God our Father and apply all that He has revealed to us. If this newsletter does nothing but make you think, then I have failed, my desire is that I stir you up and motivate you into praying for your families, friends, neighbours and nation. We all have to start somewhere why not now?

Come on mighty warriors, rise up, shake the dust off and move into the power of the almighty. Victory is ours! Let's see if we can cover our nation 24-7.

If you would like Pamela to minister at your church or Group please email.
