

Fruitful Ground

JUNE 2018

COLOSSIANS 1:10

DEAR FRIENDS.

How time flies.
Here we are in the summer season. This is the most enjoyable season for me to be in. The sunshine, a little heat and the garden starts to bloom.

But I hear God say, "He is going to turn the heat up." Not necessarily a bad thing. He is bringing major changes to the way we act as a body that follow him. He is cleaning out some of the old traditional ways, and bringing more of the Holy Spirit freedom into our lives.

Recently I have been hearing the sound of church bells ringing, the bells start with the one bell ringing, then it is a few bells and finally the wedding bells.

So what is God saying, firstly the 'dong' of the bell was to bring out the dead, the second was a call for us to pray, the third ringing was the wedding bells that brings a completion of the preparation.

We are preparing for the Bride of Christ; that means those things that didn't work before will this time around. Don't give up preparing and assembling those things that you have a need of to hit your target.

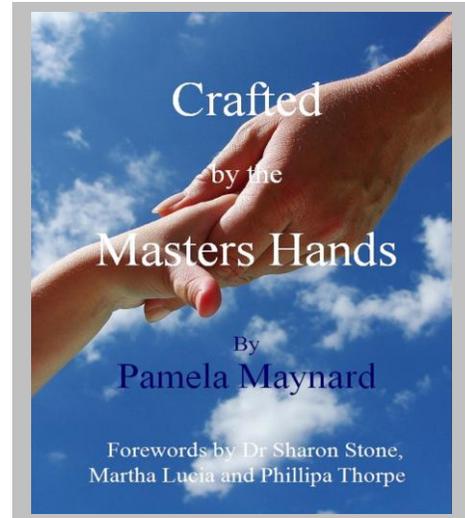

Get prepared; take out the dross, anything that doesn't work remove it. Remember new wine skins. Matthew 9:17

Don't just sit there hoping something will come along, do something with the gifts and talents God has given you. Shake off hope deferred. Dig again and find the treasures God has for you. There are many people out there who have had a vision of inventing something but never developed it. Ephesians 2:10

I call your vision and dreams to come forth and bring multiplication to you and to furthering of the Kingdom of God.

Habakkuk 2:2

You never know who might run with you! Write the vision down.

JEREMIAH 29: 11-14.

Wake up you sleepy people

I would like to set a challenge to you! Every time you wake up in the night or even during the day, use the time to focus on one person/friend or family member and pray them into the kingdom. Also how about finding a business that you are connected with and ask God what he is saying about it. Pray those things that God has said, into being. Let me know how you get on with the answers!
